

**Engaging our employees**

[otpc.com](http://otpc.com)

Employees who volunteer 24 hours or more with a qualifying nonprofit are eligible for a donation to that organization through our **Power of Two** program. Our employees are active in our communities. And Power of Two is one way we can help support the causes that are close to their hearts.

*Volunteering is an important part of who I am and who I hope to raise my children to become. If you pay attention, you realize there are many less fortunate, and by volunteering you can help provide hope to those that need it in their hardest moments.*

**- Accounting Supervisor and Health Resources Center Volunteer**

*In a small town it takes everyone stepping up to the plate and doing what they can to help those in need. Volunteering is rewarding because you know that you're helping in every way you can.*

**- Big Stone Plant Equipment Operator**
