

Customer notice

The Minnesota Public Utilities Commission approved our request to implement updated adjustment factors to our Revenue Decoupling Mechanism (RDM) Rider.

The approved rate adjustments shown below become effective October 1, 2024, for all classes of customers subject to adjustments.

Revenue Decoupling Adjustment (Refund)/Surcharge

Energy charge	Per kWh
Basket #1	0.1661 ¢/kWh
Basket #2	0.3417 ¢/kWh
Basket #3	(0.1587) ¢/kWh
Basket #4	0.2884 ¢/kWh
Basket #5	(2.4147) ¢/kWh
Basket #6	(0.1657) ¢/kWh

A decoupling adjustment is a credit or surcharge that separates revenues from changes in energy sales, neutralizing the impact of reduced sales due to promotion of energy conservation. This charge applies to customer classes defined in Minnesota rate schedule 13.10.
