

Charge up for winter!

Make the switch to an
electric snow blower
and receive a rebate.

An electric snow blower operates at a fraction of the cost

Plus, it's quieter and requires less maintenance.

Stop worrying about replacing stale gas or cleaning carburetors when clearing snow this winter. An electric snow blower offers a hassle-free alternative. It's as easy as pushing a button to start.

Receive up to a **\$150 rebate** for purchasing a new electric snow blower!
